

Annual Report of the College 2021- 2022

28.02.2021-04.03.2022

We take great pleasure in presenting before this assembly a brief report of the activities and achievements of the College during the session 2021-22. As the First Women's College in Asia, this institution began its journey in 1879 with only one student Kadambini Ganguly (nee Basu), who subsequently went on to become the first woman physician in South Asia. As a flagship college of Calcutta University, Bethune College trains girl students to become responsible citizens, who can go beyond academic degrees to make lasting contributions to society, as worthy torch bearers of their glorious heritage.

Reaccredited in 2015 with 'A' grade, Bethune College strives to initiate new and innovative methods for quality enhancement, as per the recommendations of the NAAC Peer Team. We secured **77th rank nationally in the College Category in the assessment by the National Institutional Ranking Framework (MHRD)** in the current session. It is the only Government College from West Bengal to feature among the first 100 colleges in the country.

Other rankings: Bethune College has ranked **16th according to Education World Rankings 2021-22 in the Autonomous College Category**. According to a survey conducted by **India Today**, Bethune College has secured **5th rank in the Eastern region. The college has secured 74th rank in Arts and 92nd rank in Science category.**

On the occasion of the **100th Anniversary of our Alumni Association**, *Bethune College Sammilani*, the newly constructed **Archive Building** funded by RUSA was inaugurated by Professor Pushpa Misra, Former Principal and GB Member of Bethune College on 3rd of September, 2021. **Busts of Ishwarchandra Vidyasagar and Sister Nivedita** were unveiled as part of the Centenary Celebrations on the same day. The busts were donated by Snehashish Sur, in memory of his late mother Smt. Roma Sur, a former professor of Chemistry at the college and former Secretary of the Alumni Association.

The **Kolkata General Post Office** honoured the Alumni Association of the college with the release of a special cover containing the logo of the Alumni Association on 22nd November, 2021. The cover was inaugurated by Shri Neeraj Kumar, the Postmaster General of the GPO in the historic Rotunda Hall in the presence of the Principal of the college and members of the Alumni Association.

It is a matter of great honour for the college that **Prof(Dr) Krishna Roy**, our **Principal** has been awarded the **Outstanding Teacher Award 2021-22** by Presidency University.

In a significant development in the last session, the **newly constituted Governing Body of the College** has come into effect from December 2021. Recently the college has also been registered with a **PAN number**.

COVID:

As Covid-19 entered the second and later third waves, the world saw unprecedented misery and sadness. Despite the raging pandemic, Bethune College continued with online teaching-learning, examination and evaluation. Zoom/Google Meet/Team link platforms were used for online classes. Video and audio study materials were provided to the students via different platforms. Online tutorial and remedial classes were regularly held and study materials were uploaded in Google classrooms. GCR was used for examinations and evaluations. E-contents were made available on the College website.

The college stood up to the need of the hour by starting the **Bethune College Covid Squad during the Second Wave of Covid-19**, which was an initiative of Students' Activity Cell with roughly twelve students from UG and PG sections, on 28 April, 2021, with a purpose of providing help to the families of the students and staff of our college. However, as the group expanded, it started to extend help to people from all over the state. The group had around 60 student volunteers and was able to help more than 150 people till date with all kinds of help, from oxygen cylinders and hospital beds to food facilities and RTPCR tests and a lot more.

Despite the pandemic, the college made every possible effort for the benefit of students. Apart from regular classes, Examinations of UG and PG, Annual & CBCS students were conducted online, including paper setting, evaluation and marks uploading. Several cultural events like Annual Prize Day and Fest were conducted online. Government welfare schemes for the students like Kanyashree, Swami Vivekananda Merit Cum Means and Student Credit Card were processed despite the pandemic.

Sanitization of the college was done on a number of occasions and it is still an ongoing process. It was accomplished on 05.05.2021 by the college authorities. All departments and buildings including the Science and Arts Libraries were sanitized. Later with the Government

notification regarding resuming of on-campus classes with effect from 16th November 2021 and 3rd February, 2022, the college was sanitized thoroughly.

Water purifier machines and Sanitizer machines have been installed at strategic points in the college premises for the benefit of students and staff.

A Covid vaccination drive was undertaken for students on 5th of October 2021 in collaboration with Calcutta Medical College.

Classes in blended mode began initially from 16.11.2021. From the 3rd of February, all academic activities including classes have shifted to offline mode as per Govt notification.

INFRASTRUCTURAL DEVELOPMENTS

The basement of the College Administrative Building was renovated and assigned as the storage room. All the departments have been assigned designated places for their use. The **College gymnasium** equipped with the latest fitness equipment was inaugurated in March 2021 for the students.

STUDENT RESULTS and ACHIEVEMENTS:

The most important stakeholders are our students who have once again proved themselves worthy inheritors of the rich heritage of this college. Our student strength this session combining the undergraduate and postgraduate streams is close to 1400.

Our illustrious alumna **Dr Sanghamitra Bandyopadhyay** was awarded with the prestigious Padma Shri in Science and Engineering. A former student of Bethune College, she is currently the Director of ISI, Kolkata. **Dr Neena Gupta**, an ex-student of the Department of Mathematics won the Ramanujan Prize for Young Mathematicians. Previously honoured with the Shanti Swarup Bhatnagar Award, Dr Gupta is a Faculty of Mathematics in ISI, Kolkata.

UG & PG RESULTS

Our students have done consistently well in all university examinations. In the last session, 236 (Eco & Psychology included) students secured CGPA over 6 in Humanities & Social

Sciences and 177 students secured CGPA over 7 in Science subjects. Special mention must be made of 2 (two) students from Philosophy, one each from Psychology and Sanskri and 5 (five) students from Economics who secured CGPA over 8. There were 6 students in Science securing CGPA above 9 (1 from Chemistry and 5 from Computer Science).

Prestigious scholarships: It is a matter of great joy for us that **33 students** in our Science departments are **INSPIRE scholars** [8(Chemistry)+ 14(Physics) +5(Statistics)+ 4(Mathematics)+2(Zoology)]. Besides, **4 students** from the Physics department have secured the prestigious **JBNSTS scholarship Bigyani Kanya Medhabritti in 2021.**

PG Results & Student Progression:

PG results were equally good with as many as 77 students securing CGPA over 6 in their final semester. We are proud to mention here that many of our students have successfully cleared competitive examinations like NET, JAM, JEST, GATE, CSIR NET, JRF IIT-ISM Entrance test and a good number of them are pursuing PhD at prestigious institutes in India and abroad. Many of them have joined prestigious educational institutions and corporate offices in various capacities. Many of our students have joined West Bengal Education Service as Assistant Professor.

ETHICS & VALUE EDUCATION

A course on Ethics and Value Education has been a part of the educational experience in this college for many years. From the academic session 2020-21, this course has been reconstituted as a **30-hour course for the undergraduate students of Semester 1 and 2 of Bethune College**, under the able supervision of Prof. (Dr.) Krishna Roy, Principal, Bethune College. The objective of this course is to create awareness and commitment of the students to social responsibilities and to inculcate moral values in them, for improving the quality of life through education. The course being interdisciplinary in character, the content has been designed keeping in mind the theoretical as well practical aspects of ethics. The Ethics & Value Education Committee organised a series of online lectures delivered by eminent speakers from different fields. The Inaugural lecture was delivered by the Principal, Bethune College. Among other resource persons were academicians from renowned institutes like

Indian Institute of Science, Bangalore, University of Calcutta and Jadavpur and an Advocate-expert on Cyber security. Former and present teachers of different departments of the college also acted as Speakers.

Each student is assessed on the basis of an online test, submission of dissertation, presentation through a seminar and attendance. Feedback is taken at the end of each lecture/session and also at the end of the course. A certificate is given to the students on completion of the course.

WEBEL: Since 2006-07 **WBEIDC –WIL** division in collaboration with Bethune College offers a 120 hours on-campus DIPLOMA course in Computer Application, at a very affordable rate. Keeping the needs of students during lockdown, the course was conducted in the online mode in the last session.

The College **Library** has a rich collection of about 1,03,000 books and journals. These include some rare and priceless books and journals thereby making the library a veritable learning resource for our students. In this session, the Library purchased books and journals worth Rs. 3,09,049/. The Library also provides access to various scholarly journals through a subscription to Inflibnet.

Administrative work of the college remained undisturbed throughout this period owing to the Principal's initiatives.

- In keeping with the norms advocated by the University of Calcutta & Government of West Bengal, the college organised online verification of forms. The college maintains reservation of seats according to Government norms. A total of **24,343 applications were received for 557 seats in 16 undergraduate Honours courses.** The entire UG admission process was successfully conducted in the online mode in 20 rounds. **This year no application fee was charged from the students as per government. order.** The PG admission was centrally conducted by the University of Calcutta.
- **CAS files** of 12 teachers were processed in 2021 by the CAS Committee and 2 teachers out of the 7 applicants in the previous batch have already received their promotion orders.

- At the administrative level, the non-teaching staff members offered unstinting support to meet the challenges of a difficult year. **The Students' Section** provided wholehearted support in the digital processing of registration, examination and review related activities along with the various sub-committees and teachers. It was possible for the **Income Tax, Pay Fixation and Arrear sub committees** as well as other academic committees to process all administrative work owing to the full support and cooperation of the Office.
