Bethune College

Action Taken Report on the Feedback of Students and Parents
2017-18

The Feedback was discussed in a meeting of the IQAC held in the presence of the Principal and external members of IQAC on 07.08.2018 to initiate activities that would help to meet the expectations of the students from the college.

1. The Principal interacted with teachers on a one-to-one basis and discussed any points that required attention, as evident from the individual teachers' feedback. This exercise was found to be beneficial for the teachers and students alike.
2. The group D staff were reminded and directed to clean toilets more frequently during the day. Students were also sensitized towards maintaining personal hygiene.
3. PWD was contacted to ensure constant supply of water so that toilets could be kept cleaner. A deep tube well and more pumps have been installed for this purpose.
4. Funds were allotted centrally for purchase of required laboratory equipment and books in each department.
5. With a view to the physical fitness of students as well as recognizing the need for students to relax in between classes in a healthy manner, the College has also utilized RUSA funds to provide a fully equipped gymnasium with bi-cycle, agro meter, twister and jogger.
6. To address students' request for better organized sports facilities, the College has appointed a physical instructor to train the students and supervise the sports and games activities.
7. The Girls Common Room was also renovated.
8. Keeping in mind the diverse needs of all stakeholders, the College has undertaken the construction of a lift at Kadambini Bhavan. Work on the lift and the state-of-the-art Seminar Hall have been going on in full swing.
