**Report of Parents' Feedback Analysis**  
**2018-19**

Feedback from parents has been largely positive. They were happy with regular interaction with teachers and found them approachable and concerned about the welfare of their wards. The apolitical, safe and natural environment on campus and the security arrangements were also appreciated.

They have also expressed their satisfaction regarding the student mentoring system and the introduction of college mid-semester examinations in the CBCS system.

Parents were also happy regarding the One Week Long Sampreti Saptaha conducted by the College in collaboration with RKM Swami Vivekananda Ancestral Home and Cultural Centre from 11 to 17 September, 2018 to mark the 125<sup>th</sup> Anniversary of Swami Vivekananda's Chicago Address. The parents appreciated that the students got the opportunity to participate in these events and compete with students from other colleges as well. They suggested that more such events should be organised in the future.
