Campus Maintenance and Support

Procedures and policies for maintaining and utilizing physical, academic and support facilities

Bethune College has a range of physical facilities to support its academic and extracurricular activities. The college campus typically includes seven buildings housing classrooms, laboratories, administrative offices, and other facilities like gymnasium, Nivedita prayer Hall, students' common room, NSS room, Sports Room and Canteen. Classrooms are equipped with modern teaching aids such as projectors, whiteboards, and audiovisual equipment to facilitate effective teaching and learning. Laboratories for subjects such as Physics, Chemistry, Botany, Zoology, Computer Science, Statistics and Psychology are upgraded with funds received from State and Central Government under different schemes. Multi Facility Centre for Science continues to facilitate exchange of resource among departments thereby promoting higher studies and research activities among students. A well-stocked library (with two wings: Science and Arts) with a wide collection of books, journals, periodicals, and digital resources support research and academic activities of students and faculty. Department libraries are enabled to access OPAC with LAN. E-books and E journals are accessed through INFLIBNET-N-List Consortium. The college have sports facilities provided by a playground, badminton court and a sports' room for indoor games, well equipped gymnasium, and facilities for yoga and meditation to promote holistic development among students. A computer center with internet connectivity and modern computing facilities is typically available for students and faculty to support their academic and research activities. The College has a canteen inside the campus where good quality food is available at a reasonable rate, students and faculty can have meals, snacks, and refreshments therein. For students coming from outstation areas, the college provides hostel accommodation with facilities for lodging and dining for 250 students which currently started with 28 boarders. A health room/sick room cater to the emergency healthcare needs of students and staff. The Wi-Fi connectivity is provided at the Administrative Building, the Science Library and the Centenary Hall to provide students and faculty with access to the internet for academic and research and other official purposes. Bethune College harbours large green spaces, gardens, and medicinal plant garden to provide a conducive environment for learning and relaxation. An auditorium other than the Centenary Hall is available for organizing seminars, workshops, conferences, cultural events, and other extracurricular activities. Divyangjan toilet and ramps ensures more conducive environment for the physically disabled. The other facilities include water dispensers, Solar Power Panel (total 2 units), Lift, CCTV. An Archive preserves century old books, documents, journals and monographs.

IQAC frames Policy documents like E-governance policy document, Grievance redressal Policy Document, Annual Gender Sensitisation Action Plan, Divyangjan Policy, Code of Conduct etc. and organises activities and awareness programmes for Students and teachers. Career counseling is done regularly to keep our students updated about possibilities in placement.
