Report of Parents' Feedback Analysis
2016-17

Approximately 629 parents attended the parent-teacher meetings, held throughout the entire academic session in all the departments. Those parents, who could not attend the same, especially outstation parents, gave their valuable feedback through telephonic conversation with the Head of the concerned departments.

The parents find the meeting with departmental teachers to be very fruitful in understanding the progress of their daughters in academic and other activities. The parents have expressed their satisfaction regarding the teaching-learning process, the concern of the college and the departments regarding the overall development of their wards, discipline and security within the campus.

Parents of outstation candidates have requested for hostel facilities for the students.

All parents were found to be very appreciative of the fact that their wards can avail enough relevant reference books from both the central library of the college and the concerned departmental libraries.

Parents whose daughters were pointed out as weak in studies or poor in class attendance, assured that they will take care of the matters.

Parents expressed satisfaction regarding the availability of healthy and hygienic food at the college canteen at a subsidised rate.
